

Mixed Media Watercolor Painting Syllabus

Week 1

Watercolor with Acrylic or Gouache

Week 2

Watercolor with Permanent Waterproof Ink

Week 3

Watercolor with Gesso

Week 4

Watercolor with Collage

If you want to add more to the above lessons, here are some suggestions. No lessons are included for these options - you would have to research the mediums yourself.

- Watercolor with resist mediums (wax crayon, pastel, prisma-color wax pencils)
- Watercolor with gel medium (allows glazing that does not lift once dry)
- Watercolor with charcoal, white chalk and white gouache on a toned paper (see article by Alex Powers)
